Bluffton College is dedicated to total commitment to God. It exists to help young people to prepare for dedicated living. Real dedication involves one's whole life. There can be no restricted areas, no closed compartments.

The writer of Proverbs states that if we acknowledge God in all of our ways, he will direct our paths. (3:6) This guidance involves constant contact with the source of our direction. Furthermore, it does not come without thought and effort on our part. This is true on both the individual and the institutional level.

This direction is complicated by the fact that not all committed institutions or committed individuals agree fully on all details of God's direction. Somehow he permits some individuality and variety even in his direction of committed lives. Rather than being confused by this fact, however, we should proceed with confidence and vigor in the path which God directs us, believing that if we have really sought prayerfully, the way he directs is the right way for us.

Bluffton College moves forward with this conviction, and seeks to instill Christian faith, confidence, and vigor in those under its influence.

## *Underbrush Path*

Lately  
We've wandered  
Past trees and ideas

Some afternoons ago  
We walked through this forest of sloping hills  
With nothing in mind.  
That was vagrancy!

In those days of the forest  
We watched growing leeks  
Shoot up from the ground.  
We followed  
No path

Or  
All paths.  
Like fugitives, we avoided the path  
Clobbered over by settled men  
Of old family trees

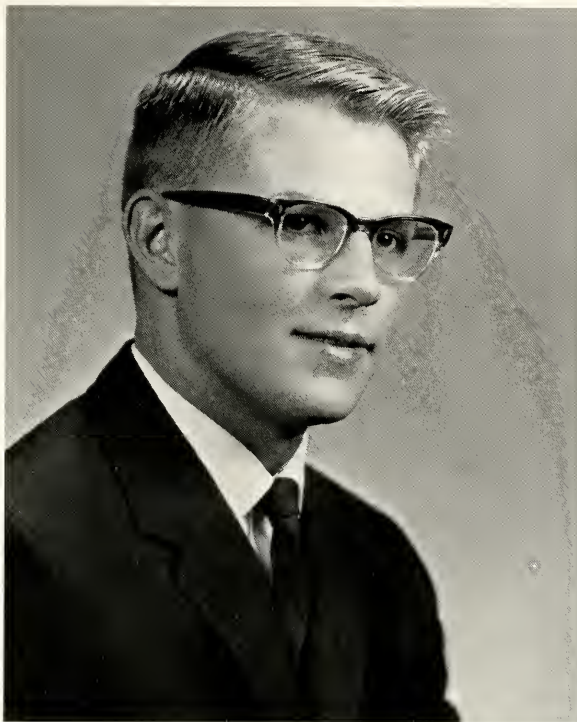

Some afternoons  
We traipsed through grass  
And grass fields  
To look for poppies

In those days of the fields  
We plucked colures  
And ideas  
For a purpose.

Lately one afternoon  
A path of logic had formed.  
But will it lead from the underbrush  
Onto the clobbered paths of settled men?

*—Cathy Clark*

*In Memory . . . with us these paths he walked, and now  
another path he walks before us.*

Not long before Ed Augspurger died on March 9, he said, "Sometimes God takes away from us now what we want so much, so that we can have better things in the future, if we can only have faith enough to believe it." His faith, so humble, so true, lives on with those who knew him. His short life was lived for others—so they might laugh and love and learn and be.

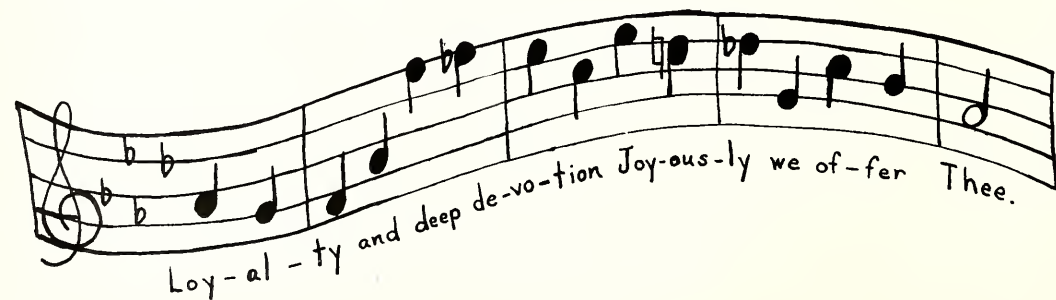

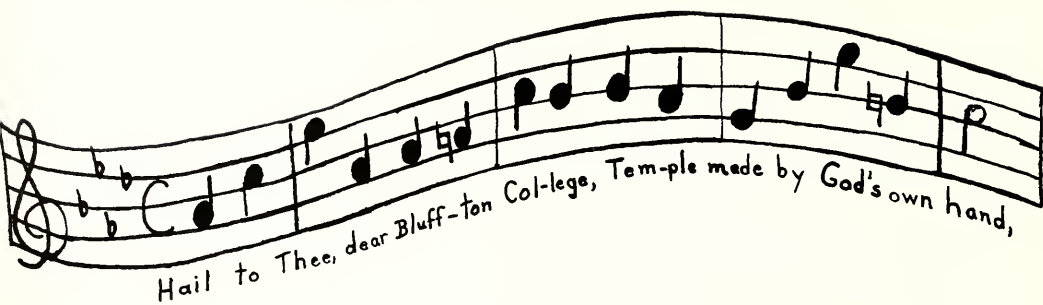

Ed displayed to the end an inner strength and an outward tranquility that sang the song of his faith. Rather than mourn, we are grateful to have been able to love him and be loved by him.

Ye have not chosen me, but I have chosen you, and ordained you, that you should go and bring forth fruit, and that your fruit should remain.

John 15:16

## *B.C. ends season with 7-2 record*

### BEAVER'S DEBUT

The football team soared through this season with a record of seven wins and two losses; the Ohio Northern game was the high point for the team. Six Bluffton players attained all-league status. They were: Mike Goings and Larry Stover, who were also all-league among Ohio small colleges; Willie Stemen, John Weber, Ralph Pitzer and Ken Schwarzentraub. Besides this impressive record our own Mike Goings claimed two other titles; he was the leading scorer of small colleges in the U. S. and ranked third in rushing among small colleges in the U. S.

## *Bluffton's Basketball Season closes with 6-15 record*

This year's basketball season ended with a new success as the team finally seemed to be working together as a group. Coach Ken Mast lost six men at the beginning of the second semester, three of whom had been starters. This meant that a re-organization of the team, as well as a new challenge, was necessary to begin the new year. The team responded and seemed more determined than ever, snapping back to win four of the six games played that semester. The future is definitely promising with several freshmen and sophomores as returning lettermen for the '63-'64 basketball season.
